TOYEEB ADEKUNLE ABD'AZEEZ

Electrical & Renewable Energy Engineer

+234 813 730 4139 | toyeebadekunle@gmail.com | linkedin.com/in/toyeeb-abd-azeez | Oyo, Oyo State, Nigeria

PROFESSIONAL SUMMARY

First Class Electrical/Electronic Engineering graduate (CGPA: 4.67/5.0) with hands-on experience in solar PV system design, installation, and commissioning, plus residential electrical design. Certified Energy Manager with expertise in hybrid inverter systems, lithium battery storage, load analysis, and HOMER Pro energy modelling. Published researcher in renewable energy and power systems.

TECHNICAL SKILLS

Solar PV	System sizing, string configuration, load analysis, PV array design, hybrid inverter & battery storage commissioning
Electrical Design	Wiring layouts, load scheduling, distribution board & cable sizing, protection coordination
Software	MATLAB, AutoCAD, HOMER Pro, Python (Pandas, NumPy), MS Package

KEY PROJECTS

12kVA Hybrid Solar PV & Battery Energy Storage System *2026*

Company Owner & Project Manager — Photon Power and Engineering Ltd, Nigeria

- Engineered a 12kWp PV array (20 × 600W Jinko bifacial panels, 2 strings) with a 12kVA hybrid inverter and 25kWh lithium battery storage; managed full project lifecycle from site survey to client handover.

Electrical Design — 5-Bedroom Duplex & Four 2-Bedroom Apartments *2025*

Electrical Engineer — Tunde Amusat Electrical Engineering Contractor, Oyo

- Produced complete electrical designs for five residential units: wiring layouts, load schedules, distribution board sizing, cable sizing, and technical drawings for installation teams.

WORK EXPERIENCE

Research Assistant *2022 – 2024*

Renewable Energy Group & Power Consultant, FUTMinna, Nigeria

- Modelled and optimised hybrid energy systems using HOMER Pro; co-authored four peer-reviewed journal papers on renewable energy and rural electrification.

Site Engineer *2025*

Sabbat Engineering Consultant, Oyo, Oyo State, Nigeria

- Supervised civil and MEP works; designed electrical layouts for residential and commercial construction projects.

Electrical Technician (Intern) *2023*

K. Adesina Electrical Contractor, Oyo, Oyo State, Nigeria

- Installed and maintained residential electrical systems; diagnosed circuit faults and assisted in wiring design.

EDUCATION

B.Eng. Electrical/Electronic Engineering — First Class Honours *Jan 2025*

Federal University of Technology, Minna (FUTMinna) — CGPA: 4.67/5.0 (93.4%)

CERTIFICATIONS & MEMBERSHIPS

- Certified Energy Manager (CEM) — OZIS Academy, 2025
- PV Modelling (MATLAB/Simulink) — Udemy, 2024
- Graduate Member, Nigerian Society of Engineers (GMNSE)
- 1st Prize — NCC 2023 Hackathon (AI for Fraud Detection)
